CENTER FOR CIVIC LEADERSHIP
RICE UNIVERSITY

International Exploration and Discovery Fellowships
Travel Fellowships

- Goliard Scholarship
- Brotzen Scholarship
Pursue your passion!

Given the opportunity to travel abroad, where would you go and what would you do?

Would this fellowship allow you to do something a little different?
Be Creative!

A creative idea will take you into territory that is new for you. It can extend and build upon experiences that you have already had, but it is not a retracing or revisiting. What intrigues you? Where is it being studied, performed, made, etc.? 
Make sure it’s feasible!

Consider budget, safety, visa regulations, availability of resources, language(s), and time constraints.

Travel to any country under U.S. State Department Travel Warning or under U.S. Department of the Treasury Embargo will not be approved.
Goliard/Brotzen

- Independent study and travel anywhere in the world
- Short-term (during the summer)
- $2,500-$3,000 stipend
- Potential for a truly transformative experience

Goliard (golˈyerd, -yərˈ) noun A wandering student in medieval Europe disposed to conviviality, license, and the making of ribald and satirical Latin songs.
What have past scholars done?

- Stargazing in Chile
- Exploring wine culture in France
- Hot air-ballooning across Europe
- Swimming with sharks in South Africa
- Watching baseball games in Japan
## The Application

**Essay**

- 2-3 page personal statement and project proposal, possibly including relevant portfolios or documents
- Budget proposal
- *No* letters of recommendation
- *No* transcript; please upload a blank document instead

**Sample applications**

- Visit the [CCL website](#)
What does a successful application look like?

• Candidate is clearly engaged and passionate about the chosen topic

• Candidate has embraced the spirit of the fellowship, including international understanding

• The applicant’s motivations and the personal significance of proposed travel are clearly articulated

• Travel is feasible in the proposed timeframe
