A photograph of three young adults, two men and one woman, standing on a paved path on a university campus. They are all smiling and wearing white t-shirts. The man on the left is wearing glasses and holding a small green object. The woman in the middle is wearing a white headscarf with red polka dots. The man on the right is carrying a brown paper bag. The background shows trees and a building with arches. The entire image has a blue tint.

# The Application

Max 1400 characters

Based on what you read, what makes you want to be part of the Civic Immersion community and what opportunities for personal growth do you see in this experience?

Please tell us about a social issue or community challenge you are interested in or familiar with: how did you learn about it and why does it interest you?

In order for us to learn a bit more about the perspective you will bring to the program, please tell us about a community you are a part of and what your connection to this community means to you. (You may define community in any way that is meaningful for you!)
